

# Installation ID:

Movie Theater

**End Customer:** Empire Cinemas

**Location:** United Kingdom

**Equipment:** WyreStorm EX-1UTP-IR-100-HDBT HDBaseT extenders, SP-SDI-0104 SD/HD/3G-SDI 1-to-4 Distributor units (SP-SDI-0104) used for each of the eight Empire Multiplexes showing live events, Barco digital projectors, Arqiva Digital Cinema DVB for live events.

## Why HDBaseT:

Simplicity of installation over category cable helped keep the project on-time and on-budget, while also future-proofing the project for 4K resolution. High performance with audio & projection equipment. High reliability and robustness.

**Details:** Empire Cinemas operates 17 modern multiplex cinemas throughout the UK, servicing up to 350 people per theater. To create an immersive viewing experience, all 35 mm projectors were replaced with digital projectors, for sharper picture and 7.1 surround sound support.
