

Installation ID:

University

End Customer: University of Padua

Location: Padua, Italy

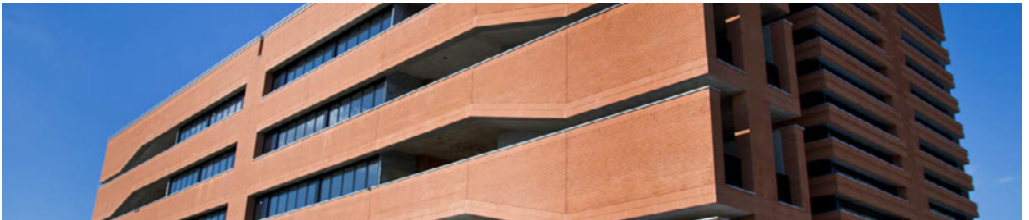

Installer: RC Audiovisual Systems Srl (Padua)

Equipment: Kramer 8-Input HDMI & HDBaseT ProScale Presentation Switcher/Scaler with 2K Support and Audio Power Amplifier; Kramer HDBaseT Extenders (TP-580R/TP-580T); Kramer Wall Plates Transmitters WP-301 and WP-120; Kramer VS-66H3 matrix

Why HDBaseT:

Easy and quick installation; ability to connect through a regular LAN cable for up to 100m/328 ft; reliability and performance.

Details: The Biology and Biomedicine complex of the University of Padua is located in a modern complex designed by architect Mario Botta. The complex contains administrative offices, 18 classrooms, roughly 30 laboratories, faculty rooms and research facilities. The heart of the AV installation in each lecture room is Kramer's HDBaseT switcher/scaler, connecting all sources to monitors/projectors and to the control rooms.
